

Jazzy Cornbread

I call this Jazzy Cornbread because you can add a variety of other ingredient to jazz it up. When we paired it with the Sun Dried Tomato Spiced Shrimp, I added cumin and cayenne pepper to the batter. Plain or jazzed up, this is a great recipe to have in your files.

- 1 box Jiffy cornbread mix
- 3 eggs
- 8 ounces sour cream
- 1 small (8 1/4 ounce) can creamed corn

Heat oven to 400 degrees. Butter or spray a 8 or 9 inch baking pan.

Mix all ingredients together and pour into prepared pan. Bake for approximately 20 minutes or a toothpick inserted in the center comes out clean.
