

Killer Chocolate Sauce

Adapted from [Desserts 4 Today](#) by [Abby Dodge](#)

BAH Note: I scaled the recipe down by half because exposure to mass quantities of Killer Chocolate Sauce is hazardous to my relationship with the skinnier jeans. I call this 3 Minute Killer Chocolate Sauce because that's how quick it is to make...just in case you needed still one more reason why this recipe rocks.

- 3 ounces bittersweet chocolate, chopped or chips
- 2 ounces butter
- 1 tablespoon light corn syrup

Combine the chocolate, butter, and corn syrup in a small nonstick sauce pan. Cook over low heat, stirring occasionally, until the chocolate is melted. Whisk until the sauce is completely smooth. Serve warm or at room temperature. If the sauce sets up and thickens, or if you cover and refrigerate it, reheat it in the microwave in 30 second intervals on low power.
